The high abuse, 2.5mm thick polycarbonate lens is designed to stand up to areas such as correctional facilities, schools, apartment complexes and public areas that may be subject to vandalism.

■ **Installation:** The **FTZ-RMT** remote is supplied with a universal mounting plate for surface ceiling or wall mount applications. Suitable for indoor, outdoor, damp or wet location applications with IP66 protection.

The **FTZ-RMT** features fully adjustable heads and a vacuum metalized reflector.

Durable o-ring gasket ensures the integrity of the **FTZ-RMT**.

Torx screws.

18ga. cold rolled steel.

NOTE: 3 year warranty standard, see details on next page.

### ■ specifications: internal

The **FTZ-RMT** is available with high output LED or MR16 lamps. A durable o-ring gasket ensures the integrity of the **FTZ-RMT**. The operating temperature is from -22°F up to 104°F (-30°C to 40°C).

### ■ specifications: external

The **FTZ-RMT** is constructed from a polycarbonate material. The vandal resistant clear polycarbonate lens provides protection to the lamps. Tamper proof screws are standard. The **FTZ-RMT** mounting plate comes standard in white although color options are available upon request.

### ■ dimensions (in,mm.)

Series	A	B	C
FTZ-RMT	4.5" 114mm	14" 356mm	3.8" 98mm

### ■ ordering logic

Series	Lamps	Options
FTZ-RMT	See lamp selection on next page	B (black mounting plate) CC (custom color- specify)

EXAMPLE: FTZ-RMT-5W-LED  
DESCRIPTION: FORTEZZA™ Remote, 5W LED MR16, white mounting plate.

## ■ specifications: electrical

**CIRCUIT:** The **FTZ-RMT** is available with high output LED or MR16 lamps.

## ■ specifications: mechanical

The **FTZ-RMT** remote is constructed with a powder coated steel mounting plate and an impact resistant polycarbonate lens. The **FTZ-RMT** mounting plate is offered in either a white or black powder coat finish. Custom colors are available, consult factory.

## ■ vandal resistant design

The heavy duty design and construction of the **FTZ-RMT** warns potential vandals that this is no regular remote. The lamps are protected by an impact resistant polycarbonate lens that is fastened with two tamper proof screws. The **FTZ-RMT** remote offers a contemporary look and durability like no other.

## ■ lamp selection

	6V	12V	24V
MR16	6, 10W	10, 12, 20, 35, 50W	12, 20, 35, 50W
MR16 LED	5, 7W	2, 5, 7W	5, 7W

## ■ warranty

The **FTZ-RMT** comes with a 3-year factory warranty. Lamps are not covered under the warranty. Deliberate damage, misuse, improper installation effectively cancel the warranty.
