- Push to test switch
- Automatic, Low voltage disconnect
- 120 or 277 VAC operation
- LED Lamp life of 25 plus years
- Universal mounting canopy or ceiling or wall mount applications
- UL/ETL Listed
- Dual Circuit Units Available

### Part Numbers:

20742D	Red LED Universal AC only White Housing
20743D	Red LED Universal Battery Backup White Housing
20744D	Green LED Universal AC only White Housing
20745D	Green LED Universal Battery Backup White Housing
20746D	Red LED Universal AC Only Black Housing
20743D/BLK	Red LED Universal Battery Backup Black Housing
20748D	Green LED Universal AC only Black Housing
20745D/BLK	Green LED Universal Battery Backup Black Housing

### Options:

20750	Red Dual Circuit LED Exit
20751	Green Dual Circuit LED Exit

### Accessories:

207WG	Wire Guard for Exit Sign
207WGW	Wire Guard, White, for Exit sign
207PS	Polycarbonate Shield for Exit Signs
